# Resources and Highlights

- **Fostering Diversity in HIV Research Program** is currently recruiting participants for our second year. In its first year, this program involved trainees (master's and PhD students, residents, and post-doctoral fellows) and faculty from Massachusetts General Hospital and the Harvard T. H. Chan School of Public Health. We have now expanded the program to include Brigham and Women's Hospital as well. It is designed to help overcome the low and undesirable level of racial and ethnic diversity in the field of HIV research. [Click here](#) for more information.
- **SACNAS** has extended their deadline to apply for a registration scholarship for The National Diversity in STEM (NDiSTEM) Digital Conference! We encourage you to submit your application for registration scholarships as this will be your last chance to be able to attend the National Diversity in STEM Conference *for free!* [Apply here](#)—**(Deadline to Apply: July 26th, 2021!)**
- Call for Applications! Emerging Scholars Program on Addressing Racism in Health and Medicine at **Boston University** Department of Anthropology: Addressing Systemic Racism in Health and Medicine Fall 2021. [Click here](#) for more information!
- [MGH Youth Neurology Education and Research Program](#) invites you to join the **INSPIRE Seminar Series!** These interactive chats are geared for high school and undergraduate students to meet a diverse group of MGH Neurology researchers and learn about their path and research. The series began Monday July 12th and will continue through August 9th. Future speakers will include other amazing faculty, including Dr. Patricia Musolino, Dr. Lidia Moura, Dr. David Perez, Dr. Joshua Budhu, among others. **Interested students need to sign up here:** [https://docs.google.com/forms/d/e/1FAIpQLSfqB6JSvPRrhB-Y5HggSEocqXdJjaxu4kYmeWxgrA-L1uS\\_mw/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSfqB6JSvPRrhB-Y5HggSEocqXdJjaxu4kYmeWxgrA-L1uS_mw/viewform?usp=sf_link)
- **SURF (Summer Undergraduate Research Fellowship)** has upcoming online panel discussions! There will be excellent panel discussions with URM GI physicians talking about preparing for a career in medicine, considering MD vs MD/PhD, and successful career pathways for URM MDs in GI. Students can email [awards@gastro.org](mailto:awards@gastro.org) for details and login information. Next sessions take place July 28th and August 11th both at 4PM EST.
- In 2022-23, **Harvard HealthTech** is excited to invite two teams (four Fellows per team) to join the HealthTech Fellowship. Gain first-hand perspective on what is and isn't working in our healthcare system, and develop a deep understanding of how to introduce products and services to address those challenges alongside a team of innovators. Learn more about the 2022-23 [Harvard HealthTech Fellowship](#). **Applications are now open and due by September 9.**
- **Harvard Medical School (HMS)** invites motivated early-career scientists interested in careers in education to apply for a three-year fellowship within the HMS Curriculum Fellows Program, <https://curriculumfellows.hms.harvard.edu>
