

# Your Future. Enabled by Cytiva

## WHAT WE DO

Cytiva is a global provider of technologies and services that advance and accelerate therapeutics.

Our products are used by pharma companies, biotech researchers and clinicians around the world to make life-saving vaccines, biologic drugs and cell and gene therapies.

## Cytiva AT A GLANCE

**9+**

Nobel Laures use Cytiva Research tools

**>60 Years**

In the Biopharma supply industry

**>1 Bn**

Support manufactures doses of insulin every year

**100%**

of FDA approved cell therapies enabled by Cytiva Solutions

**>75%**

present in top biologicals

## WHO WE ARE

Our brilliant people are our greatest asset – and there are a few things that unify our Cytivans across our company.

We care deeply about our team-mates and colleagues, regardless of where they sit and what team they are in.

What connects us all is our passion for helping people. We all want to achieve our vision of a world in which access to life-changing therapies transforms human health.

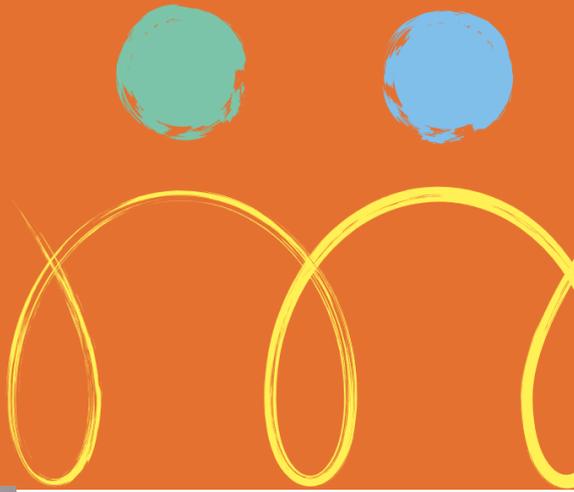

## Sounds like you? Then join us!

In the Cytiva Graduate Commercial Rotational Program (GCRP) you will build a commercial foundation, leverage your science degree and translate it into skills that assist customers to develop products for innovative drug therapies. Cytiva is at the beginning - the forefront, enabling some of the breakthrough technology that you are only now hearing about.

**CONSIDER THIS YOUR INVITATION  
TO EXPLORE AN UNFORGETTABLE  
CAREER OPPORTUNITY!**

If you are a soon-to-be or recent BS,  
MS or Post Doc graduate of Science,  
Explore:

**CYTIVA'S GRADUATE COMMERCIAL  
ROTATIONAL PROGRAM (GCRP)**

**THE GRADUATE COMMERCIAL  
ROTATIONAL PROGRAM**

You will learn to educate customers on the value of our products and company – and benefit both by placing products in facilities that enable them to develop therapeutics. As the 15-month rotation progresses, you will be shadowing customer meetings, visiting different companies, gaining autonomy and independence as you develop commercial skills that will benefit you both personally and professionally. All while working in a fun, supported and impactful organization.
