Become a part of Biogen's vision.

Biogen discovers, develops, and delivers worldwide innovative therapies for people living with serious neurological and neurodegenerative diseases. Our early career programming offers 12-week summer internships and 6-month summer and winter co-op roles for students across degree levels.

Opportunities include:

- Clinical Development
- Commercial
- Community Lab
- Drug Discovery
- Engineering
- Finance
- Human Resources
- Information Technology
- Manufacturing
- Quality
- Supply Chain
- Worldwide Medical

We are currently recruiting for our Summer 2022 Intern and Co-op Program.
