CENTER FOR INCLUSIVE EDUCATION

IRACDA PROGRAM

The purpose of the IRACDA (Institutional Research and Academic Career Development Award) Program is to develop a diverse group of highly trained scientists to address the nation's biomedical research needs. The IRACDA NY-CAPS program combines a traditional mentored postdoctoral research experience with an opportunity to develop academic skills, including teaching, through workshops and mentored teaching assignments as a partner institution. The program is intended to facilitate the progress of postdoctoral candidates toward research and teaching careers in academia.

The IRACDA NY-CAPS Postdoctoral Fellowship Offers:

- Pedagogy training
- Salary with full fringe benefits
- Mentored postdoctoral research at Stony Brook University
- Three year postdoctoral appointment (renewable annually)
- Mentored teaching experience at institutions that serve underrepresented populations
- Membership in the national IRACDA Community with sponsored travel to annual meetings
- Sponsored travel to scientific conferences

APPLICATIONS WILL BE REVIEWED STARTING MAY 1, 2002 AND WILL CONTINUE ON A ROLLING BASIS UNTIL POSITIONS ARE FILLED. START DATE WILL BE ON OR AFTER JULY 1ST, CONTINGENT ON DEGREE CONFERRAL.
