

What's Happening @ BSCP

May 2022 Edition

Event Recap

BSCP VIRTUAL CONNECT

BSCP's Virtual Connect Event on April 9th was most successful! Over 500 participants from community college to postdoctoral level joined us from 252 institutions and 39 states plus Puerto Rico and 8 countries. Over 165 advisors from across the US volunteered their time to provide education and career advice, and serve as a source of information and inspiration for the student/fellow attendees. 36 of these advisors were former BSCP students! Dennis Dean, PhD, Principal Investigator at Seven Bridges, member of the BSCP Board of Directors and Former BSCP participant gave an incredibly inspiring keynote address – click the photo below to watch the recording.

Thank you to those of you who joined us!

NEW ENGLAND SCIENCE SYMPOSIUM

12 oral presenters and more than 230 poster presenters shared their research virtually at the 21st annual New England Science Symposium on April 29th and 30th. The event kicked off with an amazing keynote address followed by oral presentations covering various subjects. The event was co-sponsored by BSCP and the HMS Office for Diversity Inclusion and Community Partnership. Thank you to Vertex for supporting this event.
