

## What's Happening @ BSCP

July 2022 Edition

### Upcoming Events

BSCP will celebrate 31 years of successes in our community at Evening of Hope, BSCP's only fundraising event! We're excited to have this be our first in-person event since 2019! We will honor Kevin Churchwell, M.D., President and Chief Executive Officer at Boston Children's Hospital, and J. Keith Motley, Ph.D., Distinguished Professor and Chancellor Emeritus at University of Massachusetts Boston. The event is co-chaired by Travis McCreedy, Head of Life Sciences, Industries Americas at JLL, Meredith O'Connor, International Director at JLL and Andrew S. Plump, M.D., Ph.D., President, Research and Development at Takeda Pharmaceutical Company. [Sponsorship opportunities available here](#)

**Skills Workshops for College and High School Students - October 29, 2022** at Harvard Medical School. This program focuses on skills development and will also include a session for parents/caregivers as well as an internship fair with BSCP partner organizations. [Applications available in September.](#)

## Resources and Highlights

### BSCP Educational Fund - Laptops for Rising College Freshman and Community College Students

Thanks to a BSCP partner company, limited number of refurbished laptops are available for BSCP students particularly rising college freshman and community college students who otherwise may be unable to have a personal computer due to financial hardship. [Click here](#) to apply online.

**BSCP Educational Relief Fund (formerly COVID-19 Educational Relief Fund)** - The next deadline for submission is August 31st find out more [here](#). Please note: Emergency requests will be considered on a case-by-case basis throughout the summer.

- **New England Future Faculty Workshop, presented by Northeastern University in partnership with Harvard Medical School** - This year's virtual workshop will be held on July 27th and 28th, and prepares participants for entry into the academic job market through sessions on finding their institutional fit, developing research, teaching, and diversity statements, honing interview and negotiation skills, time management, and planning their first year as faculty. Find out more [here](#).
- **Brigham and Women's Hospital** - Internship in the Department of Obstetrics, Gynecology and Reproductive Biology. This internship position is for an aspiring clinician and/or researcher passionate about reproductive and sexual health. Any academic level is welcome and the position is any combination of in-person, remote or hybrid. For more information contact [WRHR-obgyn@bwh.harvard.edu](mailto:WRHR-obgyn@bwh.harvard.edu).
- **Bristol Meyers-Squibb**, Cambridge has several positions they are actively seeking to fill. Find them [here](#).
- **Takeda Pharmaceuticals U.S.** is looking for exceptional Early Career professionals to join our world-class R&D organization where you will help unlock innovation and push the boundaries of what is possible. To apply, see [open positions](#) in our functional teams which include, Data & Pharmaceutical Sciences, Regulatory Affairs, Research, Development, or our Therapeutic areas.
- **Harvard Medical School Curriculum Fellows Program** is seeking a dynamic and experienced teacher and leader as the Director of the Curriculum Fellows Program. The [HMS Curriculum Fellows Program](#) (HMS CFP) trains early-career scientists to become science education leaders and practitioners. For the full job description and application instructions please [click here](#).
- **Stanford University - PRISM Application Open NOW to July 18th!** [Office of Postdoctoral Affairs](#) is reaching out to share an update regarding [PRISM](#), a recruitment initiative designed to support graduate students who are interested in pursuing a postdoc at Stanford. We especially welcome applications from students who would contribute to adding a more diverse perspective within academia.
- **Vertex** has many opportunities available! Early career, Co-ops and Summer Internships! Find them all on the [BSCP website](#). Vertex is committed to providing a higher internal level of visibility to BSCP applicants. In addition to listing BSCP on your resume, please let Pinar Kilicci-Kret ([pinar\\_kilicci-kret@hms.harvard.edu](mailto:pinar_kilicci-kret@hms.harvard.edu)) know if you applied to any of the Vertex positions and select the BSCP source code when asked how you heard about the opportunity.
- **Regeneron** is hiring! – Where passion meets purpose in biotech. Over 100 positions to be released within the coming weeks. As a leader in the industry, we offer career development and opportunities at all levels in every aspect of our business from invention to delivery of medicines to patients. Join our talent community to learn more: <https://regeneron.avature.net/bscp>

We encourage you to list your participation in BSCP (student conference, symposium, skills workshops) on your resume.
