The Leadership Alliance

is a national consortium of leading research sites and teaching colleges and universities. The mission of the Alliance is to develop underrepresented students into outstanding leaders and role models in academia, business and the public sector.

The Leadership Alliance
National Symposium
Research Conference July 28–30, 2023

- Present your research at a national conference
- Connect with peers, graduate students, postdocs, faculty, and research professionals who are a part of the Leadership Alliance Community
- Hear practical advice about applying to and thriving in doctoral programs
- Learn about diverse research careers available to you
- Meet with deans and representatives from prospective graduate schools

SR-EIP

Summer Research Early Identification Program

A research experience designed for undergraduates interested in applying to PhD or MD-PhD programs.

Applied Mathematics
Computer Science
Education

Engineering
Humanities
Life Sciences
Mathematics

Physical Sciences
Psychology
Social Sciences

www.theleadershipalliance.org

More than
a summer program

Participants in the SR-EIP
join a community of scholars, and receive ongoing mentorship and professional development through graduate school and beyond.

Summer Research —
Early Identification Program
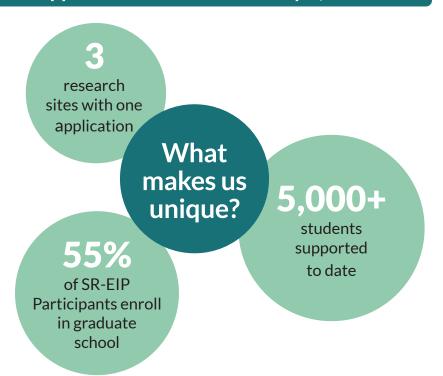

SR-EIP Overview
- Conduct 8–10 weeks of paid, scholarly research at one of 20+ Leadership Alliance member institutions with the guidance of a research mentor
- Participate in research seminars and professional development workshops throughout the duration of the program
- Present at the Leadership Alliance National Symposium with over 400 undergraduate researchers

Research opportunities are available in these areas:
- Applied Mathematics
- Computer Science
- Education
- Engineering
- Humanities
- Life Sciences
- Mathematics
- Physical Sciences
- Psychology
- Social Sciences

Applications are due February 1, 2023

3 research sites with one application

What makes us unique?

5,000+ students supported to date

55% of SR-EIP Participants enroll in graduate school

Research Sites

The institutions offering scholarly research opportunities include:

Brown University
Caltech
Columbia Business School
Columbia University
Cornell University
Dartmouth College
Harvard University GSAS
Harvard Medical Sciences
Howard University
Johns Hopkins University
Montana State University
NYU School of Medicine
Princeton University
Stanford University
Tufts University
University of Chicago
University of Colorado Boulder
University of Maryland Baltimore County
University of Miami
University of Pennsylvania A&S

University of Pennsylvania Biomedical
University of Pennsylvania; The Wharton School
University of Virginia
Vanderbilt University
Weill Cornell Medical College
Yale University

For more information on the areas of research offered by member sites, scan the QR code below. Please note that the information provided is subject to change. You can also contact Samantha Andersen at: **Samantha_Andersen@brown.edu**

Eligibility Requirements
Applicants must currently be enrolled full-time in an accredited public or private college or university in the U.S. or its territories, as recognized by the U.S. Department of Education. All applicants must:

- Be in good academic standing with a GPA of 3.0 or better
- Demonstrate a committed interest to pursue graduate study toward a PhD or MD-PhD
- Have completed at least two semesters and have at least one semester remaining of their undergraduate education by the start of the summer program
- Be a U.S. citizen or have permanent resident status at the time of application

Note: *The SR-EIP is not designed for students pursuing professional training for careers in the practice of law, business administration, clinical medicine, clinical psychology or the allied health professions.*

How to Apply
Interested students must complete the SR-EIP Online Application available at **www.theleadershipalliance.org**. The application deadline is **February 1, 2023. The application requires:**

1. Biographical and academic information
2. Current resume information
3. Statement of purpose
4. Two letters of recommendation
5. Transcripts

It is the responsibility of the applicant to ensure that the entire application is received by February 1, 2023.
