The UMass Chan mission

Our mission is to advance the health and wellness of our diverse communities throughout Massachusetts and across the world by leading and innovating in education, research, health care delivery and public service.

Diversity statement

At UMass Chan, in an atmosphere of scholarship, research and educational excellence, the T.H. Chan School of Medicine Admissions Committee is dedicated to the selection of a diverse class of extraordinary and compassionate individuals who will become physician leaders in innovative, evidence-based, patient-centered care for all residents of the Commonwealth of Massachusetts and beyond.

The people of Worcester

1 in 5 residents is foreign-born; **85+** languages are spoken. The median age of city residents is **33**; The largest concentrations of foreign-born residents hail from Albania, Brazil, China, Ghana, the Dominican Republic and Vietnam.

Among other honors, UMass Chan is ranked highly by *U.S. News & World Report* in medical research and primary care education and received the Community Engagement Classification by the Carnegie Foundation for the Advancement of Teaching.
