

Accelerated Bachelor of Science in Nursing Program

Tomorrow Ready

PROGRAM HIGHLIGHTS

- Receive clinical training - and potential job connections - in the Boston area at many of the country's best hospitals, including Massachusetts General Hospital, Brigham and Women's, and Spaulding Rehabilitation Network
- Begin clinical rotations during the first weeks of your education
- Receive individualized attention from faculty who are practicing clinicians
- Graduate with the knowledge to pass the national license exam and become a Registered Nurse

APPLICATION PROCESS

The Accelerated Bachelor of Science in Nursing (ABSN) program participates in NursingCAS, the Centralized Application Service for Nursing. All students are required to apply through NursingCAS.

Items to submit directly to NursingCAS:

- Application with application fee
- Official transcript(s) from all colleges/universities attended
- Reference letters (2)
- Personal Statement
- Diversity Statement
- Resume
- MGH Institute Custom Questions

ADDITIONAL APPLICATION REQUIREMENTS

TOEFL/IELTS - The language of instruction and clinical education at the MGH Institute is English and a high level of proficiency in both written and spoken English is required. Applicants who have not completed either an undergraduate or graduate program where English is the language of instruction must demonstrate English Language proficiency as part of your application to the MGH Institute of Health Professions.

The IHP accepts either the TOEFL (Test of English as a Foreign Language) or the IELTS (International English Language Testing System). The test must have been taken within two years of the application deadline and official score reports are required. The minimum TOEFL (internet-based) score accepted is 89 and the minimum IELTS score accepted is 6.5.

Please visit our website for the complete policy.

PREREQUISITE REQUIREMENTS

Applicants may have prerequisite coursework planned or in process at the time of application with no more than two (2) outstanding prerequisite during the semester prior to anticipated matriculation. All prerequisite courses must be satisfactorily completed with supporting documentation submitted to the Office of Admission prior to starting the program. All applicants are required to complete prerequisite courses with a minimum letter grade of C+ or higher.

Official Documentation - All offers of admission will be contingent upon the receipt and verification of all outstanding coursework and proof of baccalaureate degree completion.
